

COVID-19 Update – March 15th, 2021

Following the guidelines of the CDC, AOA, Governor Lee, and Mayor Cooper, We will continue our modified COVID-19 protocols. Things will look a little different, capacity will be limited, and all visits will be by appointment only. Please be patient as we incorporate these new mandated requirements to enhance your safety.

What to Expect

Appointments

- Our "Online Appointment Scheduling" system is now operational on our website.
- We are making appointments for exams & optical services (pick-ups & adjustments)

Preparing for your Appointment

- Please complete your "Online Forms" located on our website (AndersonEyecare.com) prior to your appointment. You can complete them electronically or print and bring to your appointment.
- If any of the following apply, please call before coming so we can coordinate service.

**Fever Or Any Other COVID Symptoms
COVID " + " Test (Within the past 30 days)
Awaiting COVID Test Results
Living with Anyone with Any of the Above**

- Wear your contacts (if applicable) and bring all glasses, sunglasses, or computer glasses that you currently wear.

Upon Arrival to the Office

- Re-evaluate yourself for any of the above signs and symptoms.
- If none of the above, please proceed to the front desk for check-in and temperature check.
- Masks are still required for entry and during everyone's appointment.
- Due to office capacity limits, please only bring one extra guest per patient.

Protective Equipment, Enhanced Cleaning, & Social Distancing

- Enhanced cleaning products, protocols, and increased frequencies are in effect.
- Seating is reduced and additional breath guards installed around the office.

Exceptional Care Despite COVID-19 Procedures

- We will continue to offer professional and personalized care to all our patients.
- With your help and patience, we will get through this challenge and "See Clearly".

While we are optimistic things will return to normal in the near future, the doctors and staff are committed to doing everything we can to find a balance between minimizing risk and satisfying your needs and desires. If we can be of any assistance, please give us a call at 615-883-9595.

Thank You for Your Continued Understanding and Cooperation,
Dr. John, Dr. Terri, & the Entire Anderson Eyecare Team
